Aerials

Life is a waterfall

We're one in the river and one again after the fall

Swimming through the void, we hear the word

We lose ourselves, but we find it all

'Cause we are the ones that wanna play

Always wanna go, but you never wanna stay

And we are the ones that wanna choose

Always wanna play, but you never wanna lose

Aerials

In the sky

When you lose small mind, you free your life

Life is a waterfall

We drink from the river, then we turn around and put up our walls

Swimming through the void, we hear the word

We lose ourselves, but we find it all

'Cause we are the ones that wanna play

Always wanna go, but you never wanna stay

And we are the ones that wanna choose

Always wanna play, but you never wanna lose, oh

Aerials

In the sky

When you lose small mind, you free your life

Aerials

So up high

When you free your eyes, eternal prize

Aerials

In the sky

When you lose small mind, you free your life

Aerials

So up high

When you free your eyes, eternal prize

Are You Gonna Go My Way?

I was born long ago
I am the chosen, I'm the one
I have come to save the day
And I won't leave until I'm done
So that's why you've got to try
You got to breath and have some fun
Though I'm not paid, I play this game
And I won't stop until I'm done

But what I really want to know is
Are you gonna go my way?
And I got to, got to know

I don' tknow why we always cry
This we must leave and get undone
We must engage and rearrange
And turn this planet back to one
So tell me why we got to die
And kill each other one by one
We've got to love and rub-a-dub
We've got to dance and be in love

But what I really want to know is
Are you gonna go my way?
And I got to, got to know

I don' tknow why we always cry
This we must leave and get undone
We must engage and rearrange
And turn this planet back to one

But what I really want to know is
Are you gonna go my way?
'Cause, baby, I got to know

Basket Case

Do you have the time to listen to me whine
About nothing and everything all at once?
I am one of those
Melodramatic fools
Neurotic to the bone
No doubt about it

Sometimes I give myself the creeps
Sometimes my mind plays tricks on me
It all keeps adding up
I think I'm cracking up
Am I just paranoid?
Or am I just stoned?

I went to a shrink
To analyze my dreams
She says it's lack of sex that's bringing me down
I went to a whore
He said my life's a bore
So quit my whining, 'cause it's bringing her down

Sometimes I give myself the creeps
Sometimes my mind plays tricks on me
It all keeps adding up
I think I'm cracking up
Am I just paranoid?
Uh, yuh, yuh, ya

Grasping to control
So I better hold on

Sometimes I give myself the creeps
Sometimes my mind plays tricks on me
It all keeps adding up
I think I'm cracking up
Am I just paranoid?
Or am I just stoned?

Beat It

They told him: Don't you ever come around here
Don't wanna see your face, you better disappear
The fire's in their eyes
And their words are really clear
So beat it, just beat it

You better run, you better do what you can
Don't wanna see no blood, don't be a macho man (oh)
You wanna be tough, better do what you can
So beat it, but you wanna be bad

Just beat it (beat it), beat it (beat it)
No one wants to be defeated
Showin' how funky and strong is your fight
It doesn't matter who's wrong or right
Just beat it (beat it)
Just beat it (beat it)
Just beat it (beat it)
Just beat it (beat it) (uh)

They're out to get you
Better leave while you can
Don't wanna be a boy, you wanna be a man
You wanna stay alive? Better do what you can
So beat it, just beat it (oh)

You have to show them that you're really not scared
You're playin' with your life
This ain't no truth or dare (oh)
They'll kick you, then they'll beat you
Then they'll tell you: It's fair
So beat it, but you wanna be bad

Just beat it (beat it), beat it (beat it)
No one wants to be defeated
Showin' how funky and strong is your fight
It doesn't matter who's wrong or right

Just beat it (beat it), beat it (beat it)
No one wants to be defeated
Showin' how funky and strong is your fight
It doesn't matter who's wrong or right

Just beat it (beat it, beat it, beat it)
Beat it, beat it, beat it
Beat it, beat it, beat it
Beat it, beat it, beat it
Beat it, beat it, beat it

Beat it (beat it), beat it (beat it)
No one wants to be defeated
Showin' how funky and strong is your fight
It doesn't matter who's wrong or right (who's right)

Just beat it (beat it), beat it (beat it)
No one wants to be defeated (oh, Lord)
Showin' how funky and strong is your fight
It doesn't matter who's wrong or right

Just beat it (beat it), beat it (beat it)
No one wants to be defeated (oh, no)
Showin' how funky and strong is your fight
It doesn't matter who's wrong or right

Just beat it (beat it), beat it (beat it)
No one wants to be defeated (oh, Lord)
Showin' how funky and strong is your fight
It doesn't matter who's wrong or right

Just beat it (beat it), beat it (beat it)
No one wants to be defeated (oh, no)
Showin' how funky and strong is your fight
It doesn't matter who's wrong or right

Best Of You

I've got another confession to make
I'm your fool
Everyone's got their chains to break
Holding you

Were you born to resist
Or be abused?
Is someone getting the best
The best, the best, the best of you?
Is someone getting the best
The best, the best, the best of you?

Or are you gone and onto someone new?

I needed somewhere to hang my head
Without your noose
You gave me something that I didn't have
But had no use

I was too weak to give in
Too strong to lose
My heart is under arrest again
But I break loose
My head is giving me life or death
But I can't choose
I swear I'll never give in
I refuse

Is someone getting the best
The best, the best, the best of you?
Is someone getting the best
The best, the best, the best of you?

Has someone taken your faith?
It's real, the pain you feel?
Your trust?
You must confess
Is someone getting the best
The best, the best, the best of you?

Has someone taken your faith?
It's real, the pain you feel?

The life, the love you'd die to heal
The hope that starts
The broken hearts
Your trust
You must confess

Is someone getting the best
The best, the best, the best of you?
Is someone getting the best
The best, the best, the best of you?

I've got a another confession, my friend
I'm no fool
I'm getting tired of starting again
Somewhere new
Were you born to resist or be abused?
I swear I'll never give in
I refuse

Is someone getting the best
The best, the best, the best of you?
Is someone getting the best
The best, the best, the best of you?

Has someone taken your faith?
It's real, the pain you feel?
Your trust?
You must confess

Is someone getting the best
The best, the best, the best of you?
Is someone getting the best
The best, the best, the best of you?

Billie Jean

She was more like a beauty queen from a movie scene
I said: Don't mind, but what do you mean: I am the one
Who will dance on the floor in the round?
She said I am the one who will dance on the floor in the round

She told me her name was Billie Jean, as she caused a scene
Then every head turned with eyes that dreamed of being the one
Who will dance on the floor in the round

People always told me: Be careful of what you do
And don't go around breaking young girl's hearts
My mother always told me: Be careful of who you love
And be careful of what you do, 'cause the lie becomes the truth

The Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son

For forty days and for forty nights
Law was on her side
But who can stand when she's in demand
Her schemes and plans
'Cause we danced on the floor in the round
So take my strong advice
Just remember to always think twice
(Do think twice, do think twice)

She told: My baby, we danced 'til three
Then she looked at me
Then showed a photo: My baby cried
His eyes were like mine
'Cause we danced on the floor in the round, baby

People always told me: Be careful of what you do
And don't go around breaking young girls' hearts
She came and stood right by me
Just to smell her sweet perfume
This happened much too soon
She called me to her room

The Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son

The Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son

She says I am the one, but the kid is not my son

The Billie Jean is not my lover
She's just a girl who claims that I am the one
(No, she is not just my baby)
But the kid is not my son

She says I am the one, but the kid is not my son
She says I am the one
(You know what you did)
She says he is my son
(Breaking my heart, babe)
She says I am the one

The Billie Jean is not my lover
The Billie Jean is not my lover
The Billie Jean is not my lover
The Billie Jean is not my lover
(Call me, Billie Jean)
The Billie Jean is not my lover
(She is not at the scene)

The Billie Jean is not my lover

Can't Stop

Can't stop, addicted to the shindig
Chop Top, he says I'm gonna win big
Choose not a life of imitation
Distant cousin to the reservation

Defunkt, the pistol that you pay for
This punk, the feeling that you stay for
In time I want to be your best friend
Eastside love is living on the westend

Knocked out, but boy, you better come to
Don't die, you know the truth is some do
Go write your message on the pavement
Burnin' so bright, I wonder what the wave meant

White heat is screaming in the jungle
Complete the motion if you stumble
Go ask the dust for any answers
Come back strong with 50 belly dancers

The world I love, the tears I drop
To be part of the wave can't stop
Ever wonder if it's all for you?
The world I love, the trains I hop
To be part of the wave can't stop
Come and tell me when it's time to

Sweetheart is bleeding in the snowcone
So smart, she's leading me to ozone
Music, the great communicator
Use two sticks to make it in the nature

I'll get you into penetration
The gender of a generation
The birth of every other nation
Worth your weight, the gold of meditation

This chapter's going to be a close one
Smoke rings, I know you're going to blow one
All on a spaceship persevering
Use my hands for everything but steering

Can't stop the spirits when they need you
Mop tops are happy when they feed you
J. Butterfly is in the treetop
Birds that blow the meaning into bebop

The world I love, the tears I drop
To be part of the wave can't stop
Ever wonder if it's all for you?
The world I love, the trains I hop
To be part of the wave can't stop
Come and tell me when it's time to

Wait a minute I'm passing out, win or lose
Just like you
Far more shocking than anything I ever knew
How about you?

10 more reasons why I need somebody new
Just like you
Far more shocking than anything I ever knew
Right on cue

Can't stop, addicted to the shindig
Chop Top, he says I'm gonna win big
Choose not a life of imitation
Distant cousin to the reservation

Defunkt, the pistol that you pay for
This punk, the feeling that you stay for
In time I want to be your best friend
Eastside love is living on the westend

Knocked out, but boy, you better come to
Don't die, you know the truth is some do
Go write your message on the pavement
Burnin' so bright I wonder what the wave meant

Kick start the golden generator
Sweet talk, but don't intimidate her
Can't stop the gods from engineering
Feel no need for any interfering

Your image in the dictionary
This life is more than ordinary
Can I get 2 maybe even 3 of these?
Come from space to teach you of the Pleiades

Can't stop the spirits when they need you
This life is more than just a read through

Can't Stop Lovin' You

There's a time and place for everything
For everyone
We can push with all our might
But nothing's gonna come
Oh no, nothing's gonna change
And if I asked you not to try
Oh, could you let it be?

I wanna hold you and say
We can't throw this all away
Tell me you won't go
You won't go
You have to hear me say

I can't stop lovin' you
And no matter what I say or do
You know my heart is true
Oh, I can't stop lovin' you

You can change your friends
Your place in life
You can change your mind
We can change the things we say
And do it anytime
Oh no, but I think you'll find
That when you look inside your heart
Oh baby, I'll be there
Yeah

Hold on
I'm holdin' on
Baby, just come on
Come on, come on
I just wanna hear you say

I can't stop lovin' you
And no matter what you say or do
You know my heart is true
Oh, I can't stop lovin' you

Oh, so twisted and tied
And all I remember

Was how hard we tried
Only to surrender

And when it's over
I know how it's gonna be
And true love will never die
Oh, not fade away

And I can't stop lovin' you
And no matter what I say or do
You know my heart is true
Oh, I can't stop lovin' you

And I know what I've got to do
Hey Ray, what you said is true
Oh, I can't stop lovin' you
Oh, I can't stop lovin' you

Cryin'

There was a time
When I was so broken hearted
Love wasn't much of a friend of mine
The tables have turned, yeah
'Cause me and them ways have parted
That kind of love was the killin' kind

Listen!
All I want is someone I can't resist
I know all I need to know by the way that I got kissed

I was cryin' when I met you
Now I'm tryin' to forget you
Your love is sweet misery
I was cryin' just to get you
Now I'm dyin' 'cause I let you
Do what you do down on me

Now there's not even breathin' room
Between pleasure and pain
Yeah, you cry when we're makin' love
Must be one and the same

It's down on me
Yeah, I got to tell you one thing
It's been on my mind
Girl, I gotta say
We're partners in crime
You got that certain something
What you give to me
Takes my breath away

Now the word out on the street
Is the devil's in your kiss
If our love goes up in flames, it's a fire I can't resist

I was cryin' when I met you
Now I'm tryin' to forget you
Your love is sweet misery
I was cryin' just to get you
Now I'm dyin' 'cause I let you
Do what you do down on me

'Cause what you got inside
Ain't where your love should stay
Yeah, our love, sweet love, ain't love 'til you give your heart away

I was cryin' when I met you
Now I'm tryin' to forget you
Your love is sweet misery
I was cryin' just to get you
Now I'm dyin' to let you
Do what you do, what you do down to me
Baby, baby, baby, baby

I was cryin' when I met you
Now I'm tryin' to forget you
Your love is sweet misery
I was cryin' when I met you
Now I'm dyin' 'cause I let you
Your love is sweet misery

I was cryin' when I met you
Now I'm tryin' to forget you
Your love is sweet misery
I was cryin' when I met you

Don't Stop Believin'

Just a small town girl
Livin' in a lonely world
She took the midnight train going anywhere
Just a city boy
Born and raised in South Detroit
He took the midnight train going anywhere

A singer in a smoky room
The smell of wine and cheap perfume
For a smile, they can share the night
It goes on and on and on and on

Strangers waiting
Up and down the boulevard
Their shadows searching in the night
Streetlights, people
Living just to find emotion
Hiding somewhere in the night

Working hard to get my fill
Everybody wants a thrill
Payin' anything to roll the dice
Just one more time

Some will win, some will lose
Some were born to sing the blues
Oh, the movie never ends
It goes on and on and on and on

Strangers waiting
Up and down the boulevard
Their shadows searching in the night
Streetlights, people
Living just to find emotion
Hiding somewhere in the night

Don't stop believin'
Hold on to that feelin'
Streetlights, people

Don't stop believin'
Hold on, ooh
Streetlights, people

Don't stop believin'
Hold on to that feelin'
Streetlights, people

Don't You (Forget About Me)

Hey, hey, hey, hey
Ooh whoa
Hey, hey, hey, hey
Ooh whoa

Won't you come see about me
I'll be alone dancing, you know it, baby
Tell me your troubles and doubts
Giving me everything inside and out
And love's strange: So real in the dark
Think of the tender things
That we were working on
Slow change may pull us apart
When the light gets into your heart, baby

Don't you forget about me
Don't, don't, don't, don't
Don't you forget about me

Will you stand above me
Look my way, never love me
Rain keeps falling
Rain keeps falling
Down, down, down
Will you recognize me
Call my name or walk on by
Rain keeps falling
Rain keeps falling
Down, down, down, down

Hey, hey, hey, hey
Ooh whoa

Don't you try and pretend
It's my feeling
We'll win in the end
I won't harm you
Or touch your defenses
Vanity, insecurity

Don't you forget about me
I'll be alone dancing, you know it, baby

Going to take you apart
I'll build us back together at heart, baby

Don't you forget about me
Don't, don't, don't, don't
Don't you forget about me

As you walk on by
Will you call my name
As you walk on by
Will you call my name
When you walk away

Or will you walk away
Will you walk on by
Come on, call my name
Will you call my name

I say, la, la-la-la-la, la-la-la-la
La-la-la-la-la-la-la-la-la-la
La-la-la-la, la-la-la-la
La-la-la-la-la-la-la-la-la-la
La-la-la-la, la-la-la-la
La-la-la-la-la-la-la-la-la-la
When you walk on by
And you call my name
When you walk on by

Everything About You

(Are you the guys on the beach who hate everything?
Uugh!
Is this some sort of hip music that I don't understand?)

I hate the rain and sunny weather
And I, I hate beach and mountains too, oh oh
(And) I don't like a thing about the city, no, no
And I, I, I, hate the countryside too!

And I hate everything about you!
Everything about you!

And I, don't like a thing about your mother
And I, I hate your daddy's guts too, oh oh
And I don't like a thing about your sister, no, no
'Cause I, I, I think sex is overrated too

And I get sick when I'm around, I
Can't stand to be around I
Hate everything about you!
Everything about you
Everything about you
Everything about you
Everything about you!

Some say I've got a bad attitude
But that don't change the way I feel about you
And if you think this might be bringing me down
Look again 'cause I ain't wearing no frown!

Well, I don't really care about your sister
Forget the little bitch, 'cause I already kissed her
One thing that I did to your lady
I put her on the bed and she didn't say maybe

I know, you know, everybody knows
The way it comes, the way it's gonna go
You think it's sad
Well that's too bad
'Cause I'm havin' a ball hatin'
Every little thing about you! ha-haw!
Everything about you, everything about

I get sick when I'm around
I can't stand to be around
I hate everything about

You!

Forever

I gotta tell you what I'm feeling inside
I could lie to myself, but it's true
There's no denying when I look in your eyes
Girl, I'm out of my head over you

And I lived so long believing all love is blind
But everything about you is telling me this time

It's forever
This time I know and there's no doubt in my mind
Forever
Until my life is through, girl, I'll be loving you forever

I hear the echo of a promise I made
When you're strong, you can stand on your own
But those words grow distant as I look at your face
No, I don't want to go it alone

And I never thought I'd lay my heart on the line
But everything about you is telling me this time

It's forever
This time I know and there's no doubt in my mind
Forever
Until my life is through, girl, I'll be loving you forever

Yeah (yeah, yeah)

Oh, I see my future when I look in your eyes
It took your love to make my heart come alive
'Cause I lived my life believing all love is blind
But everything about you is telling me this time

It's forever
This time I know and there's no doubt in my mind
Forever
Until my life is through, girl, I'll be loving you forever

Oh, it's forever
This time I know and there's no doubt in my mind
Forever
Until my life is through, girl, I'll be loving you forever

Fortunate Son

Some folks are born
Made to wave the flag
They're red, white and blue
And when the band plays
Hail To The Chief
They point the cannon at you, Lord

It ain't me, it ain't me
I ain't no senator's son
It ain't me, it ain't me
I ain't no fortunate one, no

Some folks are born
Silver spoon in hand
Lord, don't they help themselves
But when the taxman
Come to the door
Lord, the house look like a rummage sale

It ain't me, it ain't me
I ain't no millionaire's son
It ain't me, it ain't me
I ain't no fortunate one, no

Some folks inherit
Star spangled eyes
They send you down to war, Lord

And when you ask them
How much should we give?
They only answer
More, more, more

It ain't me, it ain't me
I ain't no military son
It iain't me, it ain't me
I ain't no fortunate one, no

It ain't me, it ain't me
I ain't no fortunate one, no
It ain't me, it ain't me
I ain't no fortunate son, no

Highway To Hell

Living easy, livin' free
Season ticket, on a one way ride
Asking nothing, leave me be
Taking everything in my stride

Don't need reason, don't need rhyme
Ain't nothin' that I'd rather do
Going down, party time
My friends are gonna be there too

I'm on the highway to hell
On the highway to hell
Highway to hell
I'm on the highway to hell

No stop signs, speed limit
Nobody's gonna slow me down
Like a wheel, gonna spin it
Nobody's gonna mess me 'round

Hey, Satan!
Paid my dues
Playin' in a rockin' band
Hey, mama! Look at me
I'm on my way to the promised land

I'm on the highway to hell
Highway to hell
I'm on the highway to hell
Highway to hell

Don't stop me!

I'm on the highway to hell
On the highway to hell
I'm on the (highway to hell)
On the highway (to hell)
Highway to hell
I'm on the highway to hell
Highway to hell
Highway to hell
Highway to hell

And I'm going down all the way
On the highway to hell

I Remember You

Woke up to soothing sound of pouring rain
The wind would whisper and I'd think of you
And all the tears you cried, they called my name
And when you needed me, I came through

I paint a picture of the days gone by
When love went blind and you would make me see
I'd stare a lifetime into your eyes
So that I knew that you were there for me
Time after time, you were there for me

Remember yesterday, walking hand in hand
Love letters in the sand, I remember you
Through the sleepless nights, through every endless day
I'd wanna hear you say: I remember you

We spend the summer with the top rolled down
Wished ever after would be like this
You said: I love you, babe — without a sound
I said I'd give my life for just one kiss
I'd live for your smile, and die for your kiss

Remember yesterday, walking hand in hand
Love letters in the sand, I remember you
Through the sleepless nights, through every endless day
I'd wanna hear you say: I remember you

We've had our share of hard times
But that's the price we paid
And through it all, we kept the promise that we made
I swear you'll never be lonely

Woke up to soothing sound of pouring rain
Washed away a dream of you
But nothing else could ever take you away
'Cause you'll always be my dream come true
Oh, my darling, I love you

Remember yesterday, walking hand in hand
Love letters in the sand, I remember you

Through the sleepless nights, through every endless day
I'd wanna hear you say: I remember you

Remember yesterday, walking hand in hand
Love letters in the sand, I remember you
Through the sleepless nights, through every endless day
I'd wanna hear you say: I remember, I remember you

I Want It All

Adventure seeker on an empty street
Just an alley creeper, light on his feet
A young fighter screaming, with no time for doubt
With the pain and anger can't see a way out
It ain't much I'm asking, I heard him say
Gotta find me a future move out of my way
I want it all, I want it all, I want it all, and I want it now
I want it all, I want it all, I want it all, and I want it now

Listen all you people, come gather round
I gotta get me a game plan, gotta shake you to the ground
But just give me, huh, what I know is mine
People do you hear me, just gimme the sign
It ain't much I'm asking, if you want the truth
Here's to the future for the dreams of youth

I want it all (give it all - I want it all)
I want it all (yeah)
I want it all and I want it now

I want it all (yes I want it all)
I want it all hey
I want it all and I want it now

I'm a man with a one track mind
So much to do in one lifetime (people do you hear me)
Not a man for compromise and where's and why's and living lies
So I'm living it all, yes I'm living it all
And I'm giving it all, and I'm giving it all
Oooh oh yeah yeah - ha ha ha ha ha
Yeah yeah yeah yeaaaah
I want it all

It ain't much I'm asking, if you want the truth
Here's to the future
Hear the cry of youth (hear the cry of youth) (hear the cry of youth)
I want it all, I want it all, I want it all and I want it now

I want it all yeah yeah yeaaaaah
I want it all, I want it all and I want it now
Oh oh oh oh oooh

And I want it - now
I want it, I want it
Ooooh ha

I Want To Break Free

I want to break free
I want to break free
I want to break free from your lies
You're so self satisfied, I don't need you
I've got to break free
God knows, God knows I want to break free

I've fallen in love
I've fallen in love for the first time
And this time I know it's for real
I've fallen in love, yeah
God knows, God knows I've fallen in love

It's strange, but it's true, yeah
I can't get over the way you love me like you do
But I have to be sure
When I walk out that door
Oh, how I want to be free, baby
Oh, how I want to be free
Oh, how I want to break free

But life still goes on
I can't get used to living without, living without
Living without you by my side
I don't want to live alone, hey
God knows, got to make it on my own
So, baby, can't you see?
I've got to break free

I've got to break free
I want to break free, yeah
I want, I want, I want, I want to break free

Interstate Love Song

Waiting on a Sunday afternoon
For what I've read between the lines
Your lies
Feelin' like a hand in rusted shame
So do you laugh at those who cry?
Reply?

Leavin' on a southern train
Only yesterday you lied
Promises of what I seemed to be
Only watched the time go by
All of these things you said to me

Breathing is the hardest thing to do
With all I've said and
All that's dead for you
You lied, goodbye

Leavin' on a southern train
Only yesterday, you lied
Promises of what I seemed to be
Only watched the time go by
All of these things I said to you

It's My Life

This ain't a song for the broken-hearted
No silent prayer for faith-departed
I ain't gonna be just a face in the crowd
You're gonna hear my voice when I shout it out loud

It's my life, it's now or never
I ain't gonna live forever
I just want to live while I'm alive
(It's my life) my heart is like an open highway
Like Frankie said: I did it my way
I just wanna live while I'm alive
It's my life

This is for the ones who stood their ground
For Tommy and Gina who never backed down
Tomorrow's getting harder, make no mistake
Luck ain't even lucky, got to make your owns breaks

It's my life, it's now or never
I ain't gonna live forever
I just want to live while I'm alive
(It's my life) my heart is like an open highway
Like Frankie said: I did it my way
I just wanna live while I'm alive
'Cause it's my life

Better stand tall when they're calling you out
Don't bend, don't break, baby, don't back down

It's my life, it's now or never
I ain't gonna live forever
I just want to live while I'm alive
(It's my life) my heart is like an open highway
Like Frankie said: I did it my way
I just wanna live while I'm alive
It's my life

It's now or never
I ain't gonna live forever
I just want to live while I'm alive
(It's my life) my heart is like an open highway
Like Frankie said: I did it my way
I just wanna live while I'm alive
It's my life

It's So Easy

I see your sister in her Sunday dress
She's out to please, she pouts her best
She's out to take, no need to try
She's ready to make

It's so easy, easy
When everybody's trying to please me, baby
It's so easy, easy
When everybody's trying to please me

Cars are crashing every night
I drink and drive, everything's in sight
I make the fire, but I miss the firefight
I hit the bullseye every night

It's so easy, easy
When everybody's trying to please me, baby
Yeah, it's so easy, easy
When everybody's trying to please me

It's so easy
But nothing seems to please me
It all fits so right
When I fade into the night
See me hit you, you fall down, huh (come on)

I see you standing there
You think you're so cool
Why don't you just
Fuck off?

You get nothing for nothing if that's what you do
Turn around, bitch, I got a use for you
Besides, you ain't got nothing better to do
And I'm bored

It's so easy, easy
When everybody's trying to please me, baby
Yeah, it's so easy, easy
When everybody's trying to please me

It's so easy
But nothing seems to please me
It all fits so right
When I fade into the night

So come with me
Don't ask me where 'cause I don't know
I'll try to please you
I ain't got no money, but it goes to show

It's so easy
So fucking easy
It's so easy
So damn easy

It's so easy
Oh, so fucking easy
It's so easy
Yeah, so easy

It's so easy
So fucking easy
It's so easy
Yeah

Lick It Up

Don't wanna wait 'til you know me better
Let's just be glad for the time together
Life's such a treat and it's time you taste it
There ain't a reason on earth to waste it
It ain't a crime to be good to yourself

Lick it up, lick it up, oh, it's only right now
Lick it up, lick it up, oh, yeah
Lick it up, lick it up, oh, come on (come on)
Lick it up, lick it up, oh

Don't need to wait for an invitation
You gotta live like you're on vacation
There's something sweet you can't buy with money (lick it up, lick it up)
It's all you need, so believe me, honey
It ain't a crime to be good to yourself

Lick it up, lick it up, oh, it's only right now
Lick it up, lick it up, oh, yeah
Lick it up, lick it up, oh, come on (come on)
Lick it up, lick it up, oh

Come on!
It's only right now
It's only right now
Oh, yeah, oh, yeah
Oh, yeah, oh, yeah
Yeah, yeah

Lick it up, lick it up, oh, it's only right now
Lick it up, lick it up, oh, yeah (yeah, yeah)
Lick it up, lick it up, oh, come on (come on)
Lick it up, lick it up, oh
Lick it up, lick it up, oh, yeah (yeah, yeah)
Lick it up, lick it up, oh, come on (come on)

Like a Stone

On a cobweb afternoon
In a room full of emptiness
By a freeway, I confess
I was lost in the pages
Of a book full of death
Reading how we'll die alone
And if we're good, we'll lay to rest
Anywhere we wanna go

In your house
I long to be
Room by room
Patiently
I'll wait for you there
Like a stone
I'll wait for you there
Alone

And on my deathbed, I will pray
To the gods and the angels
Like a pagan, to anyone
Who will take me to heaven
To a place I recall
I was there so long ago
The sky was bruised, the wine was bled
And there you led me on

In your house
I long to be
Room by room
Patiently
I'll wait for you there
Like a stone
I'll wait for you there
Alone
Alone

And on I read
Until the day was gone
And I sat in regret
Of all the things I've done
For all that I've blessed

And all that I've wronged
In dreams until my death
I will wonder on

In your house
I long to be
Room by room
Patiently
I'll wait for you there
Like a stone
I'll wait for you there
Alone
Alone

Livin' On a Prayer

Tommy used to work on the docks
Union's been on strike, he's down on his luck
It's tough, so tough
Gina works the diner all day
Working for her man, she brings home her pay
For love, for love

She says: We've got to hold on to what we've got
It doesn't make a difference if we make it or not
We've got each other and that's a lot
For love, we'll give it a shot

Whoa, we're halfway there
Oh-oh, living on a prayer
Take my hand, we'll make it, I swear
Oh-oh, living on a prayer

Tommy's got his six string in hock
Now he's holding in what he used to make it talk
So tough, it's tough
Gina dreams of running away
When she cries in the night, Tommy whispers
Baby, it's okay, someday

We've got to hold on to what we've got
It doesn't make a difference if we make it or not
We've got each other and that's a lot
For love, we'll give it a shot

Whoa, we're halfway there
Oh-oh, living on a prayer
Take my hand, we'll make it, I swear
Oh-oh, living on a prayer
Living on a prayer

Ooh, we've got to hold on, ready or not
You live for the fight when that's all that you've got

Whoa, we're halfway there
Oh-oh, living on a prayer

Take my hand and we'll make it, I swear
Oh-oh, living on a prayer

Whoa, we're halfway there
Oh-oh, living on a prayer
Take my hand and we'll make it, I swear
Oh-oh, living on a prayer

Whoa, we're halfway there
Oh-oh, living on a prayer
Take my hand

Long Live Rock And Roll

At the end of a dream
If you know where I mean
When the mist just starts to clear
In a similar way
At the end of today
I can feel the sound of writing on the wall
It cries for you
It's the least that you can do
Like a spiral on the wind
I can hear it screamin' in my mind

Long live rock and roll
Long live rock 'n' roll
Long live rock and roll

In a different time
When the words didn't rhyme
You could never quite be sure
Then on with the change
It was simple but strange
And you knew the feeling seemed to say it all
It cries for you
It's the least that you can do
Like a spiral on the wind
I can hear it screamin' in my mind

Long live rock and roll
Long live rock 'n' roll
Long live rock and roll
Long live rock and roll

Long live rock and roll
Long live rock 'n' roll
Long live rock and roll

Let it live, let it live, let it live

Long live rock and roll
Long live rock 'n' roll, yeah
Long live rock and roll

Long live rock and roll
Long live rock 'n' roll
Long live rock and roll

Long live rock and roll
Long live rock 'n' roll
Long live rock and roll

Love Ain't No Stranger

Who knows where the cold wind blows
I ask my friends, but, nobody knows
Who am I to believe in love
Oh, love ain't no stranger

I looked around an' what did I see
Broken hearted people staring at me
All searching 'cos they still believe
Oh, love ain't no stranger

I was alone an' I needed love
So much I sacrificed all I was dreaming of
I heard no warning, but, a heart can tell
I'd feel the emptiness of love I know so well

Love ain't no stranger
I ain't no stranger
Love ain't no stranger
I ain't no stranger to love, no, no, no

Can't hold the passion of a soul in need
I look for mercy when my heart begins to bleed
I know good loving an' I'm a friend of pain
But, when I read between the lines it's all the same

Love ain't no stranger
I ain't no stranger
Love ain't no stranger
I ain't no stranger to love

So who knows where the cold wind blows
I ask my friends, but, nobody knows
Who am I to believe in love
Lord, have mercy
Love ain't no stranger
I ain't no stranger

I was alone an' I needed love
So much I sacrificed all I was dreaming of
Can't hold the passion of a soul in need
I look for mercy when my heart begins to bleed

Love ain't no stranger
I ain't no stranger
Love ain't no stranger
I ain't no stranger to love

Love ain't no stranger

I ain't no stranger

Man In The Box

I'm the man in the box
Buried in my shit
Won't you come and save me
Save me

Feed my eyes (can you sew them shut?)
Jesus Christ (deny your maker)
He who tries (will be wasted)
Feed my eyes (now you've sewn them shut)

I'm the dog who gets beat
Shove my nose in shit
Won't you come and save me
Save me

Feed my eyes (can you sew them shut?)
Jesus Christ (deny your maker)
He who tries (will be wasted)
Feed my eyes (now you've sewn them shut)

Feed my eyes (can you sew them shut?)
Jesus Christ (deny your maker)
He who tries (will be wasted)
Feed my eyes (now you've sewn them shut)

Mr. Brightside

Coming out of my cage
And I've been doing just fine
Gotta, gotta be down
Because I want it all

It started out with a kiss
How did it end up like this?
It was only a kiss
It was only a kiss

Now I'm falling asleep
And she's calling a cab
While he's having a smoke
And she's taking a drag

Now they're going to bed
And my stomach is sick
And it's all in my head

But she's touching his chest now
He takes off her dress now
Let me go

And I just can't look
It's killing me
And taking control

Jealousy
Turning saints into the sea
Swimming through sick lullabies
Choking on your alibis
But it's just the price I pay
Destiny is calling me
Open up my eager eyes
'Cause I'm Mr. Brightside

I'm coming out of my cage
And I've been doing just fine
Gotta, gotta be down
Because I want it all

It started out with a kiss
How did it end up like this?
(It was only a kiss)
It was only a kiss

Now I'm falling asleep
And she's calling a cab
While he's having a smoke
And she's taking a drag

Now they're going to bed
And my stomach is sick
And it's all in my head

But she's touching his chest now
He takes off her dress now
Let me go

'Cause I just can't look
It's killing me
And taking control

Jealousy
Turning saints into the sea
Swimming through sick lullabies
Choking on your alibis
But it's just the price I pay
Destiny is calling me
Open up my eager eyes
'Cause I'm Mr. Brightside

I never
I never
I never
I never

Nightrain

Loaded like a freight train
Flyin' like an aeroplane
Feelin' like a space brain
One more time tonight

Well, I'm a west coast struttin'
One bad mother
Got a rattlesnake suitcase
Under my arm
Said I'm a mean machine
Been drinkin' gasoline
And honey, you can make my motor hum

I got one chance left
In a nine live cat
I got a dog eat dog sly smile
I got a Molotov cocktail
With a match to go
I smoke my cigarette with style

An I can tell you, honey
You can take my money tonight

Wake up late
Honey put on your clothes
Take your credit card
To the liquor store
That's one for you
And two for me by tonight

I'll be loaded like a freight train
Flyin' like an aeroplane
Feelin' like a space brain
One more time tonight

I'm on the nightrain
Bottoms up
I'm on the nightrain
Fill my cup
I'm on the nightrain
Ready to crash and burn
I never learn

I'm on the nightrain
I love that stuff
I'm on the nightrain
I can never get enough
I'm on the nightrain
Never to return
No

Loaded like a freight train
Flyin' like an aeroplane
Speedin' like a space brain
One more time tonight

I'm on the nightrain
An I'm lookin' for some
I'm on the nightrain
So's I can leave this slum
I'm on the nightrain
And I'm ready to crash an' burn

Nightrain
Bottoms up
I'm on the nightrain
Fill my cup
I'm on the nightrain

I'm on the nightrain
Love that stuff
I'm on the nightrain
An I can never get enough
Ridin' the nightrain
I guess, I
I guess, I guess, I guess, I guess
I never learn

On the nightrain
Float me home
Oohh, I'm on the nightrain
Ridin' the nightrain
Never to return
Nightrain

Pain Lies On The Riverside

I have never taken life
Yet I have often paid the price
And you, you are a victim of this age
And the guilt that hangs around your neck
Has got me locked up in a cage

You've got to learn to live until no end
But first you must learn to swim
All over again, oh no
Because

Pain lies on the riverside
And pain will never say goodbye
Pain lies on the riverside
So put your feet in the water
Put your head in the water
Put your soul in the water
And join me for a swim tonight

I have forever, always tried
To stay clean and constantly baptized
I am aware that the river's banks, they are dry
And to wait for a flood
Is to wait for life

I've got to learn to live until no end
But first I must learn to swim all
Over again
Because

Pain lies on the riverside
And pain will never say goodbye
Pain lies on the riverside
So put your feet in the water
Put your head in the water
Put your soul in the water
And join me for a swim tonight
For a swim tonight

Oh my love
I've got to learn to live until no end
I've got to learn to swim all

Over, all over, all over again
Because

Pain lies on the riverside
And pain will never say goodbye
Pain lies on the riverside
So put your feet in the water
Put your head in the water
Put your soul in the water
And join me for a swim tonight
For a swim tonight

Got a swim all over, all over, all over, all over again
Got to live all over, all over, all over, all over again

Perfect Strangers

Can you remember, remember my name?
As I flow through your life
A thousand oceans I have flown
And cold, cold spirits of ice
All my life, I am the echo of your past (echo of your past)

I am returning, the echo of a point in time
Distant faces shine
A thousand warriors I have known
Oh, and laughing, as the spirits appear
All, all your life, shadows of another day

And if you hear me talking on the wind
You've got to understand
We must remain perfect strangers

(I know)
I know I must remain inside this silent well of sorrow

A strand of silver, hanging through the sky
Touching more than you see
The voice of ages in your mind
Oh, is aching, with the dead of the night
Oh oh, precious life
Your tears are lost in falling rain

And if you hear me talking on the wind
You've got to understand
We must remain perfect strangers

Piece Of My Heart

Oh, come on
Come on
Come on
Come on

Didn't I make you feel like you were the only man?
Yeah
And didn't I give you nearly everything that a woman possibly can?
Honey, you know I did!

And each time I tell myself that I
Well, I think I've had enough
But I'm gonna show you, baby
That a woman can be tough

I want you to come on
Come on
Come on
Come on and take it

Take another little piece of my heart now, baby
(Oh, oh, break it)
Break another little bit of my heart now, darling, yeah, yeah, yeah
(Oh, oh, have a—)
Have another little piece of my heart now, baby
You know you got it, if it makes you feel good
Oh, yes, indeed

You're out on the streets, looking good
And baby deep down in your heart
I guess you know that it ain't right
Never, never, never, never, never
Never hear me when I cry at night
Babe, I cry all the time

And each time I tell myself that I
Well, I can't stand the pain
But when you hold me in your arms
I'll sing it once again

I'll say: Come on
Come on
Come on
Come on and take it

Take another little piece of my heart now, baby
(Oh, oh, break it)
Break another little bit of my heart now, darling, yeah, yeah, yeah
(Oh, oh, have a—)
Have another little piece of my heart now, baby
You know you got it, if it makes you feel good

I need you to come on
Come on
Come on
Come on and take it

Take another little piece of my heart now, baby
(Oh, oh, break it)
Break another little bit of my heart now, darling, yeah, c'mon now
(Oh, oh, have a—)
Have another little piece of my heart now, baby
You know you got it, oh

Take it
Take another little piece of my heart now, baby
(Oh, oh, break it)
Break another little bit of my heart now, darling, yeah, yeah, yeah,
yeah
(Oh, oh, have a—)
Have another little piece of my heart now, baby, hey
You know you got it, child, if it makes you feel good

Poison Heart

No one ever thought this one would survive
Helpless child, gonna walk a drum beat behind
I lock you in a dream, I never let you go
I never let you laugh or smile, not you

Well, I just want to walk right out of this world
'Cause everybody has a poison heart
I just want to walk right out of this world
'Cause everybody has a poison heart

Making friends with a homeless torn up man
He just kind of smiles, it really shakes me up
There's danger on every corner but I'm okay
I'm walking down the street trying to forget yesterday

Well, I just want to walk right out of this world
'Cause everybody has a poison heart
I just want to walk right out of this world
'Cause everybody has a poison heart
A poison heart, a poison heart, a poison heart, yeah

You know that life really takes its toll
And a poet's gut reaction is to search his very soul
So much damn confusion before my eyes
But nothing seems to phase me and this one still survives

I just want to walk right out of this world
'Cause everybody has a poison heart
I just want to walk right out of this world
'Cause everybody has a poison heart
Well, I just want to walk right out of this world
'Cause everybody has a poison heart
A poison heart, a poison heart, a poison heart
A poison heart, a poison heart, a poison heart, a poison heart

Rainbow In The Dark

When there's lightning, you know it always brings me down
'Cause it's free and I see that it's me
Who's lost and never found
I cry out for magic, I feel it dancing in the light
It was cold, lost my hold
To the shadows of the night

No sign of the morning coming
You've been left on your own
Like a rainbow in the dark
A rainbow in the dark

Do your demons, do they ever let you go?
When you've tried, do they hide deep inside?
Is it someone that you know?
You're just a picture, you're an image caught in time
We're a lie, you and I
We're words without a rhyme

There's no sign of the morning coming
You've been left on your own
Like a rainbow in the dark
Just a rainbow in the dark
Yeah!

When I see lightning, you know it always brings me down
'Cause it's free and I see that it's me
Who's lost and never found
Feel the magic, I feel it floating in the air
But it's fear, and you'll hear
It calling you, beware
Look out!

There's no sight of the morning coming
There's no sign of the day
You've been left on your own
Like a rainbow
Like a rainbow in the dark
Yeah-hey!
You're a rainbow in the dark
Just a rainbow in the dark
No sign of the morning
You're a rainbow in the dark

Rock And Roll

It's been a long time since I rock and roll
It's been a long time since I did the stroll
Let me get it back, let me get it back
Let me get it back, baby, where I came from?
It's been a long time, been a long time

Been a long lonely
Lonely, lonely, lonely
Lonely time

Yes, it has

It's been a long time since the book of love
I can't count the tears of a life with no love
Carry me back, carry me back
Carry me back, baby, where I came from
It's been a long time, been a long time

Been a long lonely
Lonely, lonely, lonely
Lonely time

Seems so long since we walked in the moonlight
Making vows that just can't work right
Open your arms, open your arms
Open your arms, baby, let my love come running in
It's been a long time, been a long time

Been a long lonely
Lonely, lonely, lonely
Lonely time

Rock And Roll All Nite

You show us everything you've got
You keep on dancing and the room gets hot
You drive us wild, we'll drive you crazy
And you say you wanna go for a spin
The party's just begun, we'll let you in
You drive us wild, we'll drive you crazy

You keep on shouting, you keep on shouting

I wanna rock and roll all night
And party every day
I wanna rock and roll all night
And party every day
I wanna rock and roll all night
And party every day
I wanna rock and roll all night
And party every day

You keep on saying you'll be mine for a while
You're looking fancy and I like your style
And you drive us wild, we'll drive you crazy
And you show us everything you've got
Uh, baby, baby, that's quite a lot
And you drive us wild, we'll drive you crazy

You keep on shouting, you keep on shouting

I wanna rock and roll all night
And party every day
I wanna rock and roll all night
And party every day
I wanna rock and roll all night
And party every day
I wanna rock and roll all night
And party every day

I wanna rock and roll all night
And party every day
I wanna rock and roll all night
And party every day
I wanna rock and roll all night

Rock You Like a Hurricane

It's early morning, the sun comes out
Last night was shaking and pretty loud
My cat is purring, it scratches my skin
So what is wrong with another sin?
The bitch is hungry, she needs to tell
So give her inches and feed her well
More days to come, new places to go
I've got to leave, it's time for a show

Here I am
Rock you like a hurricane
Here I am
Rock you like a hurricane

My body is burning, it starts to shout
Desire is coming, it breaks out loud
Lust is in cages 'til storm breaks loose
Just have to make it with someone I choose
The night is calling, I have to go
The wolf is hungry, he runs the show
He's licking his lips, he's ready to win
On the hunt tonight for love at first sting

Here I am
Rock you like a hurricane
Here I am
Rock you like a hurricane

Here I am
Rock you like a hurricane
Here I am
Rock you like a hurricane

Rock you like a hurricane

It's early morning, the sun comes out
Last night was shaking and pretty loud
My cat is purring, it scratches my skin
So what is wrong with another sin?
The night is calling, I have to go
The wolf is hungry, he runs the show
He's licking his lips, he's ready to win
On the hunt tonight for love at first sting

Here I am
Rock you like a hurricane
Here I am
Rock you like a hurricane

Here I am
Rock you like a hurricane
Here I am
Rock you like a hurricane

Slither

Hey, hey, hey

When you look you see right through me
Cut the rope, fell to my knees
Born and broken every single time

Always keep me under finger
That's the spot where you run to me
Might see some type of pleasure in my mind

Here!, here comes the water
It comes to wash away the sins of you and I
This time you see

Hey, hey, hey

When you seek me you destroy me
Rape my mind and smell the poppies
Born and bloodied every single time

Always keep me under finger
That's the spot where you might linger
But I see some type of pleasure in my mind

Here, here comes the water
It comes to wash away the sins of you and I
This time you see
Like holy water
It only burns you faster than you'll ever dry
This time with me

When you look you see right through me
Cut the rope, fell to my knees
Born and bloodied
Every single time

Yeah, here comes the water
It comes to wash away the sins of you and I
This time you see
Like holy water
It only burns you faster than you'll ever dry
This time with me

Even Flow

Freezin', rests his head
On a pillow made of concrete, again
Oh, feelin', maybe he'll see
A little better set a days, ooh yeah

Oh, hand out, faces that he sees time again
Ain't that familiar, oh, yeah
Oh, dark grin, he can't help
When he's happy, looks insane
Oh, yeah

Even flow, thoughts arrive like butterflies
Oh, he don't know, so he chases them away
Someday yet, he'll begin his life again
Life again, life again

Kneelin', looking through the paper
Though he doesn't know to read, oh, yeah
Oh, prayin', now to something
That has never showed him anything, oh

Oh, feelin', understands the weather
Of the winter's on its way, oh
Oh, ceilings, few and far between
All the legal halls of shame, yeah

Even flow, thoughts arrive like butterflies
Oh, he don't know, so he chases them away
Someday yet, he'll begin his life again
Whispering hands, gently lead him away
Him away, him away, yeah!

Even flow, thoughts arrive like butterflies
Oh, he don't know, so he chases them away
Someday yet, he'll begin his life again, yeah
Oh, whispering hands, gently lead him away
Him away, him away, yeah!

Somebody Told Me

Breaking my back just to know your name
Seventeen tracks and I've had it with this game
I'm breaking my back just to know your name
But heaven ain't close in a place like this
Anything goes, but don't blink, you might miss

'Cause heaven ain't close in a place like this
I said, heaven ain't close in a place like this
Bring it back down, bring it back down tonight
Never thought I'd let a rumour ruin my moonlight

Well, somebody told me
You had a boyfriend
Who looked like a girlfriend
That I had in February of last year
It's not confidential
I've got potential

Ready? Let's roll on to something new
Taking it's toll and I'm leaving without you
'Cause heaven ain't close in a place like this
I said, heaven ain't close in a place like this
Bring it back down, bring it back down tonight
Never thought I'd let a rumour ruin my moonlight

Well, somebody told me
You had a boyfriend
Who looked like a girlfriend
That I had in February of last year
It's not confidential
I've got potential

A rushing, a rushing around

Pace yourself for me
I said maybe, baby, please
But I just don't know now (babe, babe)
When all I wanna do is try

But somebody told me
You had a boyfriend
Who looked like a girlfriend

That I had in February of last year
It's not confidential
I've got potential

A rushing, a rushing around

Somebody told me
You had a boyfriend
Who looked like a girlfriend
That I had in February of last year
It's not confidential
I've got potential

A rushing, a rushing around

Somebody told me
You had a boyfriend
Who looked like a girlfriend
That I had in February of last year
It's not confidential
I've got potential

A rushing, a rushing around

Summer of '69

I got my first real six string
Bought it at the five and dime
Played it till my fingers bled
Was the summer of '69

Me and some guys from school
Had a band and we tried real hard
Jimmy quit and Jody got married
I should've known we'd never get far

Oh when I look back now
That summer seemed to last forever
And if I had the choice
Yeah, I'd always wanna be there
Those were the best days of my life!

Ain't no use in complaining
When you got a job to do
Spent my evening's down at the drive-in
And that's when I met you, yeah

Standing on your mama's porch
You told me that you'd wait forever
Oh and when you held my hand
I knew that it was now or never
Those were the best days of my life!

Back in the summer of '69

Man, we were killing time
We were young and restless
We needed to unwind
I guess nothing can last forever
Forever, no!!

And now the times are changing
Look at everything that's come and gone
Sometimes when I play that old six string
I think about you wonder what went wrong

Standing on your mama's porch
You told me that it'd last forever
Oh and when you held my hand

I knew that it was now or never
Those were the best days of my life!

Superstition

Very superstitious, writing's on the wall
Very superstitious, ladders 'bout to fall
Thirteen month old baby, broke the lookin' glass
Seven years of bad luck, the good things in your past

When you believe in things
That you don't understand
Then you suffer
Superstition ain't the way

Very superstitious, wash your face and hands
Rid me of the problem, do all that you can
Keep me in a daydream, keep me goin' strong
You don't wanna save me, sad is my song

When you believe in things
That you don't understand
Then you suffer
Superstition ain't the way, yeah

Very superstitious, nothin' more to say
Very superstitious, the devil's on his way
Thirteen month old baby, broke the lookin' glass
Seven years of bad luck, good things in your past

When you believe in things
That you don't understand
Then you suffer
Superstition ain't the way, no, no, no

Sweet Child O' Mine

She's got a smile that it seems to me
Reminds me of childhood memories
Where everything was as fresh
As the bright blue sky

Now and then when I see her face
She takes me away to that special place
And if I stare too long
I'd probably break down and cry

Oh, oh, oh, sweet child of mine
Oh, oh, oh, oh, sweet love of mine

She's got eyes of the bluest skies
As if they thought of rain
I hate to look into those eyes
And see an ounce of pain

Her hair reminds me of a warm safe place
Where, as a child, I'd hide
And pray for the thunder and the rain
To quietly pass me by

Oh, oh, oh, sweet child of mine
Oh, oh, oh, oh, sweet love of mine
Oh, oh, oh, oh, sweet child of mine
Ooh, yeah, yeah
Ooh! Sweet love of mine

Where do we go?
Where do we go now?
Where do we go?

Where do we go?
Where do we go now?
Where do we go now?

Where do we go?
Where do we go now?
Where do we go?
Where do we go?

Times Like These

I, I'm a one way motorway
I'm a road that drives away
Then follows you back home
I, I'm a street light shining
I'm a white light blinding bright
Burning off and on

It's times like these
You learn to live again
It's times like these
You give and give again
It's times like these
You learn to love again
It's times like these
Time and time again

I, I'm a new day rising
I'm a brand-new sky
That hang the stars upon tonight
I, I'm a little divided
Do I stay or run away
And leave it all behind?

It's times like these
You learn to live again
It's times like these
You give and give again
It's times like these
You learn to love again
It's times like these
Time and time again

It's times like these
You learn to live again
It's times like these
You give and give again
It's times like these
You learn to love again
It's times like these
Time and time again

It's times like these
You learn to live again
It's times like these
You give and give again
It's times like these
You learn to love again
It's times like these
Time and time again

It's times like these
You learn to live again
It's times like these
You give and give again
It's times like these
You learn to love again
It's times like these
Time and time again

Under Pressure (feat. David Bowie)

Pressure, pushing down on me
Pressing down on you
No man ask for

Under pressure
That burns a building down
Splits a family in two
Puts people on streets

Um, ba, ba, be
Um, ba, ba, be
De, day, da
Ee, day, da
That's okay

It's the terror of knowing
What this world is about
Watching some good friends
Screaming: Let me out
Pray tomorrow gets me higher
Pressure on people, people on streets

Day, day, de, mm, hm
Da, da, da, ba, ba
Okay

Chipping around, kick my brains around the floor
These are the days it never rains but it pours
Ee, do, ba, be
Ee, da, ba, ba, ba
Um, bo, bo
Be, lap

People on streets
Ee, da, de, da, de
People on streets
Ee, da, de, da, de, da, de, da

It's the terror of knowing
What this world is about
Watching some good friends
Screaming: Let me out

Pray tomorrow gets me higher
Higher
High
Pressure on people, people on streets

Turned away from it all like a blind man
Sat on a fence but it don't work
Keep coming up with love
But it's so slashed and torn
Why, why, why?
Love, love, love, love, love

Insanity laughs, under pressure we're breaking
Can't we give ourselves one more chance
Why can't we give love that one more chance
Why can't we give love?

Give love, give love, give love
Give love, give love, give love
Give love, give love

'Cause love's such an old fashioned word
And love dares you to care for
The people on the edge of the night
And loves dares you to change our way of
Caring about ourselves
This is our last dance
This is our last dance
This is ourselves
Under pressure
Under pressure
Pressure

Wanted Dead Or Alive

It's all the same
Only the names will change
Everyday it seems we're wasting away
Another place where the faces are so cold
I'd drive all night just to get back home

I'm a cowboy
On a steel horse I ride
I'm wanted
Dead or alive
Wanted
Dead or alive

Sometimes I sleep
Sometimes is not for days
And the people I meet
Always go their separate ways

Sometimes you tell the day
By the bottle that you drink
And times when you're alone
All you do is think

I'm a cowboy
On a steel horse I ride
I'm wanted (wanted)
Dead or alive
Wanted (wanted)
Dead or alive

Oh, and I ride!

I'm a cowboy
On a steel horse I ride
I'm wanted (wanted)
Dead or alive

And I walk these streets
A loaded six string on my back
I play for keeps
'Cause I might not make it back

I've been everywhere
Still I'm standing tall
I've seen a million faces
And I've rocked them all

'Cause I'm a cowboy
On a steel horse I ride
I'm wanted (wanted)
Dead or alive

'Cause I'm a cowboy
I got the night on my side
I'm wanted (wanted)
Dead or alive

And I ride
Dead or alive
I still drive
Dead or alive

Dead or alive
Dead or alive
Dead or alive
Dead or alive

Wasted Years

From the Coast of Gold
Across the Seven Seas
I'm travelling on
Far and wide

But now it seems
I'm just a stranger to myself
And all the things I sometimes do
It isn't me, but someone else

I close my eyes
And think of home
Another city goes by
In the night

Ain't it funny how it is?
You never miss it till it's gone away
And my heart is lying there
And will be till my dying day

So understand
Don't waste your time always searching for those wasted years
Face up, make your stand
And realize you're living in the golden years

Too much time on my hands
I got you on my mind
Can't ease this pain so easily
When you can't find the words to say
It's hard to make it through another day
And it makes me wanna cry
And throw my hands up to the sky

So understand
Don't waste your time always searching for those wasted years
Face up, make your stand
And realize you're living in the golden years

So understand
Don't waste your time always searching for those wasted years
Face up, make your stand
And realize you're living in the golden years

So understand
Don't waste your time always searching for those wasted years
Face up, make your stand
And realize you're living in the golden years

We All Die Young

Risk my soul, test my life
For my bread
Spend my time, lost in space
Am I dead?

Let the river flow
Through my callused hands
And take me from my own
The eyes of the damned

It makes my stomach turn
And it tears my flesh from the bone
How we turn a dream to stone

And we all die young

Tell me I know
I lived so afraid
And still we cry alone
With words left unsaid

Yeah, it makes my stomach turn
And it tears my flesh from the bone
How we turn a dream to stone

And we all die young
Yeah, we all die young

Yeah, we all die young
Yeah, we all die young
Yeah, we all die young
Yeah, we all die

We're Not Gonna Take It

Oh, we're not gonna take it
No, we ain't gonna take it
Oh, we're not gonna take it anymore

We've got the right to choose and
There ain't no way we'll lose it
This is our life
This is our song

We'll fight the powers that be, just
Don't pick our destiny, 'cause
You don't know us
You don't belong

Oh, we're not gonna take it
No, we ain't gonna take it
Oh, we're not gonna take it anymore

Oh, you're so condescending
Your gall is never ending
We don't want anything
Not a thing from you

Your life is trite and jaded
Boring and confiscated
If that's your best
Your best won't do

Woah, oh
Woah, oh
We're right (yeah)
We're free (yeah)
We'll fight (yeah)
You'll see (yeah)

Oh, we're not gonna take it
No, we ain't gonna take it
Oh, we're not gonna take it anymore
Oh, we're not gonna take it
No, we ain't gonna take it
Oh, we're not gonna take it anymore
No way

Woah, oh
Woah, oh
We're right (yeah)
We're free (yeah)
We'll fight (yeah)
You'll see (yeah)

We're not gonna take it
No, we ain't gonna take it
We're not gonna take it anymore
We're not gonna take it (no)
No, we ain't gonna take it
We're not gonna take it anymore (just you try and make us)

Oh, we're not gonna take it (come on)
No, we ain't gonna take it (you're all worthless and weak)
We're not gonna take it anymore (now drop and give me twenty)

Oh, we're not gonna take it (a pledge pin)
No, we ain't gonna take it (on your uniform?)
We're not gonna take it anymore

Who Knew

You took my hand, you showed me how
You promised me you'd be around, uh huh
That's right
I took your words and I believed
In everything you said to me
Yeah huh, that's right

If someone said three years from now
You'd be long gone
I'd stand up and punch them out
'Cause they're all wrong
I know better
'Cause you said forever
And ever
Who knew?

Remember when we were such fools
And so convinced and just too cool
Oh no, no, no
I wish I could touch you again
I wish I could still call you a friend
I'd give anything

When someone said: Count your blessings now
'Fore they're long gone
I guess I just didn't know how
I was all wrong
But they knew better
Still you said forever
And ever
Who knew?
Yeah, yeah

I'll keep you locked in my head
Until we meet again
Until we
Until we meet again
And I won't forget you, my friend
What happened?

If someone said three years from now
You'd be long gone

I'd stand up and punch them out
'Cause they're all wrong and
That last kiss, I'll cherish
Until we meet again
And time makes it harder
I wish I could remember
But I keep your memory
You visit me in my sleep
My darling
Who knew?

My darling, my darling
Who knew?
My darling, I miss you
My darling
Who knew?
Who knew?

Why Can't This Be Love

Whoa, here it comes
That funny feelin' again windin'
Me up inside
Every time we touch
Hey, I don't know
Oh, tell me where to begin
'Cause I never ever
Felt so much, hey!

An' I can't recall any love at all
Oh baby, this blows 'em all Away

It's got what it takes
So tell me why can't this be love?
Straight from my heart oh tell
Me why
Can't this be love?

I tell myself:
"Hey! Only fools rush in" an' only
Time will tell
If we stand the test of time
All I know
You've got to run to win an' I'll
Be damned if
I'll get hung up on the line, hey!

No, I can't recall any thing at all
Oh baby, this blows 'em all away

Woo! It's got what it takes
So tell me why can't this be love?
You want it straight from the heart oh, tell
Me why
Can't this be love?

It's got what it takes
So tell me why can't this be love?
Straight from the heart, oh tell
Me why
Can't this be love?
Baby, why can't this be love?
Got to know why can't this
Be love?

I wanna know why can't this
Be love?

You Give Love a Bad Name

Shot through the heart
And you're to blame
You give love a bad name

An angel's smile is what you sell
You promise me heaven, then put me through hell
Chains of love got a hold on me
When passion's a prison, you can't break free

Oh, oh, oh
You're a loaded gun
Oh, oh, oh
There's nowhere to run
No one can save me
The damage is done

Shot through the heart
And you're to blame
You give love a bad name (bad name)

I play my part
And you play your game
You give love a bad name (bad name)
You give love a bad name

Paint your smile on your lips
Blood red nails on your fingertips
A school boy's dream, you act so shy
Your very first kiss was your first kiss goodbye

Oh, oh, oh
You're a loaded gun
Oh, oh, oh
There's nowhere to run
No one can save me
The damage is done

Shot through the heart
And you're to blame
You give love a bad name (bad name)

I play my part
And you play your game
You give love a bad name (bad name)
You give love, ah!

Shot through the heart
And you're to blame
You give love a bad name

I play my part
And you play your game
You give love a bad name (bad name)

Shot through the heart
And you're to blame
You give love a bad name (bad name)
I play my part
And you play your game

You give love a bad name (bad name)
You give love
You give love (bad name)
You give love

You give love (bad name)
You give love
You give love (bad name)
You give love

You Shook Me All Night Long

She was a fast machine, she kept her motor clean
She was the best damn woman that I ever seen
She had the sightless eyes, telling me no lies
Knocking me out with those American thighs

Taking more than her share, had me fighting for air
She told me to come, but I was already there
'Cause the walls start shaking, the Earth was quaking
My mind was aching and we were making it

And you
Shook me all night long
Yeah, you
Shook me all night long

Working double-time on the seduction line
She's one of a kind, she's just a-mine, all mine
Wanted no applause, just another course
Made a meal outta me and come back for more

Had to cool me down to take another round
Now I'm back in the ring to take another swing
That the walls were shaking, the Earth was quaking
My mind was aching and we were making it

And you
Shook me all night long
Yeah, you
Shook me all night long

It knocked me out that you
Shook me all night long
It had me shaking and you
Shook me all night long

Yeah
You shook me
Well, you took me

You really took me and you
Shook me all night long

Ah, you
Shook me all night long

Yeah, yeah, you
Shook me all night long
You really got me and you
Shook me all night long

Yeah, you shook me
Yeah, you shook me
All night long

Your Love

Josie's on a vacation far away
Come around and talk it over
So many things that I wanna say
You know I like my girls a little bit older

I just wanna use your love tonight
I don't wanna lose your love tonight

I ain't got many friends left to talk to
Nowhere to run when I'm in trouble
You know I'd do anything for you
Stay the night but keep it undercover

I just wanna use your love tonight, oh
I don't wanna lose your love tonight

Try to stop my hands from shaking
But something in my mind's not making sense
It's been a while since we've been all alone
I can't hide the way I'm feeling

As you're leaving, please, would you close the door?
And don't forget what I told you
Just 'cause you're right, that don't mean I'm wrong
Another shoulder to cry upon

I just wanna use your love tonight, yeah
I don't wanna lose your love tonight, yeah

I just wanna use your love tonight
I don't wanna lose your love tonight

I just wanna use your love tonight
I don't wanna lose your love tonight

Zombie

Another head hangs lowly
Child is slowly taken
And the violence caused such silence
Who are we mistaken?

But you see, it's not me
It's not my family
In your head, in your head, they are fighting
With their tanks and their bombs
And their bombs, and their guns
In your head, in your head they are crying

In your head, in your head
Zombie, zombie, zombie-ie-ie
What's in your head, in your head
Zombie, zombie, zombie-ie-ie-ie, oh

Du, du, du, du
Du, du, du, du
Du, du, du, du
Du, du, du, du

Another mother's breaking heart is taking over
When the violence causes silence
We must be mistaken

It's the same old theme
Since nineteen-sixteen
In your head, in your head, they're still fighting
With their tanks and their bombs
And their bombs, and their guns
In your head, in your head, they are dying

In your head, in your head
Zombie, zombie, zombie-ie-ie
What's in your head, in your head
Zombie, zombie, zombie-ie-ie-ie
