Everybody wants to rule the world

Welcome to your life
There's no turning back
Even while we sleep
We will find you
Acting on your best behavior
Turn your back on Mother Nature
Everybody wants to rule the world

It's my own design
It's my own remorse
Help me to decide
Help me make the

Most of freedom and of pleasure
Nothing ever lasts forever
Everybody wants to rule the world

There's a room where the light won't find you
Holding hands while the walls come tumbling down
When they do I'll be right behind you
So glad we've almost made it
So sad they had to fade it
Everybody wants to rule the world

I can't stand this indecision
Married with a lack of vision
Everybody wants to rule the world
Say that you'll never, never, never, never need it
One headline, why believe it?
Everybody wants to rule the world

All for freedom and for pleasure
Nothing ever lasts forever
Everybody wants to rule the world

Stay

This is not the first time
You tried to get away
This is not a party
Where people know your name
This is not a classroom
With teacher at the board
This is not a catshow
With prizes at the door

Go
Don't you go
Won't you stay with me one more day?
Ooh, if we get through one more night
If we get through one more night

This is not a horse race
Where winners beat the time
This is not a funeral
With mourners in a line
This is not a sitcom
Where everything's alright
This is not a prison
With terror through the night

Go
Don't you go
Won't you stay with me one more day?
Ooh, if we get through one more night
If we get through one more night

This is not the first time
(You tried to get away)
This is not a party
(Where people know your name)

This is not a classroom
(With teacher at the board)
This is not a catshow
(With prizes at the door) oh, oh

Go
Don't you go
Won't you stay with me one more day?
Ooh, if we get through one more night
If we get through one more night

Go
Don't you go
Won't you stay with me one more day?
Ooh, if we get through one more night
If we get through one more night

This is not the first time
You tried to get away
This is not a party
Where people know your name, ooh
Where people know your name, ooh
Where people know your name, ooh
Where people know your name, ooh

Don't You

Hey, hey, hey, hey
Ooh whoa

Won't you come see about me?
I'll be alone dancing, you know it, baby
Tell me your troubles and doubts
Giving me everything inside and out
And love's strange, so real in the dark
Think of the tender things
That we were working on
Slow change may pull us apart
When the light gets into your heart, baby

Don't you forget about me
Don't, don't, don't, don't
Don't you forget about me

Will you stand above me
Look my way, never love me
Rain keeps falling
Rain keeps falling
Down, down, down
Will you recognize me
Call my name or walk on by
Rain keeps falling
Rain keeps falling
Down, down, down, down

Hey, hey, hey, hey
Ooh whoa

Don't you try and pretend
It's my feeling
We'll win in the end

I won't harm you
Or touch your defenses
Vanity, insecurity

Don't you forget about me
I'll be alone dancing, you know it, baby
Going to take you apart
I'll build us back together at heart, baby

Don't you forget about me
Don't, don't, don't, don't
Don't you forget about me

As you walk on by
Will you call my name?
As you walk on by
Will you call my name?
When you walk away

Or will you walk away
Will you walk on by?
Come on, call my name
Will you call my name?

I say, la, la-la-la-la, la-la-la-la
La-la-la-la-la-la-la-la-la-la
La-la-la-la, la-la-la-la
La-la-la-la-la-la-la-la-la-la
La-la-la-la, la-la-la-la
La-la-la-la-la-la-la-la-la-la
When you walk on by
And you call my name
When you walk on by

Boys Don’t Cry

I would say I'm sorry if I thought that it would change your mind
But I know that this time, I have said too much, been too unkind

I try to laugh about it
Cover it all up with lies
I try to laugh about it
Hiding the tears in my eyes
'Cause boys don't cry
Boys don't cry

I would break down at your feet and beg forgiveness, plead with you
But I know that it's too late and now there's nothing I can do

So I try to laugh about it
Cover it all up with lies
I try to laugh about it
Hiding the tears in my eyes
'Cause boys don't cry
Boys don't cry

I would tell you that I loved you if I thought that you would stay
But I know that it's no use, that you've already gone away

Misjudged your limit
Pushed you too far
Took you for granted
I thought that you needed me more, more, more

Now I would do most anything to get you back by my side
But I just keep on laughing
Hiding the tears in my eyes
'Cause boys don't cry
Boys don't cry

Every breath you take

Every breath you take
And every move you make
Every bond you break
Every step you take
I'll be watching you

Every single day
Every word you say
Every game you play
Every night you stay
I'll be watching you

Oh, can't you see
You belong to me?
How my poor heart aches
With every step you take?

Every move you make
And every vow you break
Every smile you fake
Every claim you stake
I'll be watching you

Since you've gone, I've been lost without a trace
I dream at night, I can only see your face
I look around, but it's you I can't replace
I feel so cold and I long for your embrace
I keep crying: Baby, baby, please

Mmm, mmm, mmm, mmm
Mmm, mmm, mmm

Oh, can't you see
You belong to me?
How my poor heart aches
With every step you take?

Every move you make
And every vow you break
Every smile you fake
Every claim you stake
I'll be watching you

Every move you make
Every step you take
I'll be watching you

I'll be watching you
(Every breath you take)
(Every move you make)
(Every bond you break)
(Every step you take)

I'll be watching you
(Every single day)
(Every word you say)
(Every game you play)
(Every night you stay)

I'll be watching you
(Every move you make)
(Every vow you break)
(Every smile you fake)
(Every claim you stake)

I'll be watching you
(Every single day)
(Every word you say)
(Every game you play)
(Every night you stay)

I'll be watching you
(Every breath you take)
(Every move you make)
(Every bond you break)
(Every step you take)

Show me the Way

I wonder how you're feeling
There's ringing in my ears
And no one to relate to 'cept the sea
Who can I believe in?
I'm kneeling on the floor
There has to be a force
Who do I phone?
The stars are out and shining
But all I really want to know

Oh won't you show me the way, everyday
I want you to show me the way

Well, I can see no reason
You're living on your nerves
When someone drops a cup and I submerge
I'm swimming in a circle
I feel I'm going down
There has to be a fool to play my part
Someone thought of healing
But all I really want to know

Oh won't you show me the way,
I want you to show me the way
I want you day after day

I wonder if I'm dreaming
I feel so unashamed
I can't believe this is happening to me
I watch you when you're sleeping
And then I want to take your love

Oh won't you show me the way,
I want you to show me the way,
I want you day after day
I want you day after day

I want you to show me the way,
I want you to show me the way,
I want you day after day

Never Tears Apart

Don't ask me
What you know is true
Don't have to tell you
I love your precious heart

I, I was standing
You were there
Two worlds collided
And they could never tear us apart

We could live
For a thousand years
But if I hurt you
I'd make wine from your tears

I told you
That we could fly
'Cause we all have wings
But some of us don't know why

I was standing
You were there
Two worlds collided
And they could never ever tear us apart

I **(don't ask me)**
I was standing **(you know it's true)**
Mm, you were there **(worlds collided)**
Two worlds collided **(we're shining through)**
And they could never tear us apart

You **(don't ask me)**
You were standing **(you know it's true)**
I was there **(worlds collided)**

Two worlds collided **(we're shining through)**
And they could never tear us apart

I, I was standing
You were there

Your Love

Josie's on a vacation far away
Come around and talk it over
So many things that I wanna say
You know I like my girls a little bit older

I just wanna use your love tonight
I don't wanna lose your love tonight

I ain't got many friends left to talk to
Nowhere to run when I'm in trouble
You know I'd do anything for you
Stay the night but keep it undercover

I just wanna use your love tonight, oh
I don't wanna lose your love tonight

Try to stop my hands from shaking
But something in my mind's not making sense
It's been a while since we've been all alone
I can't hide the way I'm feeling

As you're leaving, please, would you close the door?
And don't forget what I told you
Just 'cause you're right, that don't mean I'm wrong
Another shoulder to cry upon

I just wanna use your love tonight, yeah
I don't wanna lose your love tonight, yeah

I just wanna use your love tonight
I don't wanna lose your love tonight

I just wanna use your love tonight
I don't wanna lose your love tonight

(Use your love, lose your love)
Your love (use your love)
Well, I don't wanna lose (lose your—, tonight)
I don't wanna, I don't wanna, I don't wanna lose (use your—, tonight)
Your love (lose your—, tonight)
Your love, your love (use your—, tonight)
Your love (I don't wanna lose your love tonight)
(Use your—, tonight)

Sultans Of Swing

You get a shiver in the dark
It's raining in the park, but meantime
South of the river you stop and you hold everything
A band is blowin' dixie double four time
You feel alright when you hear that music ring

And now you step inside
But you don't see too many faces
Comin' in out of the rain
You hear the jazz go down

Competition in other places
Oh, but the horns, they blowin' that sound
Way on down south
Way on down south London town

You check out guitar, George
He knows all the chords
Mind he's strictly rhythm
He doesn't wanna make it cry or sing

Yes, and an old guitar
Is all he can afford
When he gets up under the lights
To play his thing

And Harry doesn't mind
If he doesn't make the scene
He's got a daytime job
He's doin' alright

He can play the honky-tonk like anything
Savin' it up for Friday night
With the Sultans
With the Sultans of Swing

And a crowd of young boys
They're fooling around in the corner
Drunk and dressed in their best brown baggies
And their platform soles

They don't give a damn
About any trumpet playing band
It ain't what they call rock and roll
And the Sultans, yeah, the Sultans
They play creole, creole

And then the man
He steps right up to the microphone
And says: At last!
Just as the time bell rings

Goodnight, now it's time to go home
And he makes it fast with one more thing
We are the Sultans
We are the Sultans of Swing

Walk Of Life

Here come Johnny singin' oldies, goldies
Be-Bop-A-Lula, baby, What'd I Say
Here come Johnny singin' I Got a Woman
Down in the tunnels, tryin' to make it pay

He got the action, he got the motion
Oh, **yeah, the boy can play**
Dedication, devotion
He turnin' all the nighttime into the dayyyy

The song about the sweet ole lovin' woman
He do the song about the knife
Then he do the walk, do the walk of life
Yeah, he do the walk of life

Woo-hoo

Here come Johnny, gonna tell you the story
Hand me now my walkin' shoes
Here come Johnny with the power and the glory
Backbeat, the talkin' blues

He got the action, he got the motion
Oh, **yeah, the boy can play**
Dedication, devotion
He turnin' all the nighttime into the dayyyy

The song about the sweet ole lovin' woman
He do the song about the knife
Then he do **the walk, do the walk of life**
Yeah, he do the walk of life

Woo-hoo-hoo

Here come Johnny singin' oldies, goldies
Be-Bop-A-Lula, baby, What'd I Say
Here come Johnny singin' I Got a Woman
Down in the tunnels, tryin' to make it pay

He got the action, he got the motion
Oh, **yeah, the boy can play**
Dedication, devotion
He turnin' all the nighttime into the day

And after all the violence and double-talk
There's just a song in all the trouble and the strife
You do the walk, yeah, **you do the walk of life**
Mm, you do the walk of life

A-woo-hoo
Woo-hoo-hoo
Woo-hoo-hoo
Woo-hoo
Woo-hoo-hoo
Yeah, he do the walk of life

I Want To Break Free

I want to break free
I want to break free
I want to break free from your lies
You're so self-satisfied, I don't need you
I've got to break free
God knows, God knows I want to break free

I've fallen in love
I've fallen in love for the first time
And this time I know it's for real
I've fallen in love, yeah
God knows, God knows I've fallen in love

It's strange, but it's true, yeah
I can't get over the way you love me like you do
But I have to be sure
When I walk out that door
Oh, how I want to be free, baby
Oh, how I want to be free
Oh, how I want to break free

But life still goes on
I can't get used to living without, living without
Living without you by my side
I don't want to live alone, hey
God knows, got to make it on my own
So, baby, can't you see?
I've got to break free

I've got to break free
I want to break free, yeah
I want, I want, I want, I want to break free

Under Pressure

Pressure, pushing down on me
Pressing down on you
No man ask for

Under pressure
That burns a building down
Splits a family in two
Puts people on streets

Um, ba, ba, be
Um, ba, ba, be
De, day, da
Ee, day, da
That's okay

It's the terror of knowing
What this world is about
Watching some good friends
Screaming: Let me out
Pray tomorrow gets me higher
Pressure on people, people on streets

Day, day, de, mm, hm
Da, da, da, ba, ba
Okay

Chipping around, kick my brains around the floor
These are the days it never rains but it pours
Ee, do, ba, be
Ee, da, ba, ba, ba
Um, bo, bo
Be, lap

People on streets
Ee, da, de, da, de

People on streets
Ee, da, de, da, de, da, de, da

It's the terror of knowing
What this world is about
Watching some good friends
Screaming: Let me out

Pray tomorrow gets me higher
Higher
High
Pressure on people, people on streets

Turned away from it all like a blind man
Sat on a fence but it don't work
Keep coming up with love
But it's so slashed and torn
Why, why, why?
Love, love, love, love, love

Insanity laughs, under pressure we're breaking
Can't we give ourselves one more chance
Why can't we give love that one more chance
Why can't we give love?

Give love, give love, give love
Give love, give love, give love
Give love, give love

'Cause love's such an old fashioned word
And love dares you to care for
The people on the edge of the night
And loves dares you to change our way of
Caring about ourselves
This is our last dance
This is our last dance

This is ourselves
Under pressure
Under pressure
Pressure

Bohemian Rhapsody

Mama, just killed a man
Put a gun against his head
Pulled my trigger, now he's dead
Mama, life had just begun
But now I've gone and thrown it all away

Mama!
Didn't mean to make you cry
If I'm not back again this time tomorrow
Carry on, carry on
As if nothing really matters

Too late, my time has come
Sends shivers down my spine
Body's aching all the time
Goodbye, everybody
I've got to go
Gotta leave you all behind
And face the truth

Mama!
I don't wanna die
I sometimes wish I'd never been born at all

Radio Gaga

I'd sit alone and watch your light
My only friend through teenage nights
And everything I had to know
I heard it on my radio

You gave them all those old time stars
Through wars of worlds invaded by Mars
You made 'em laugh, you made 'em cry
You made us feel like we could fly

So don't become some background noise
A backdrop for the girls and boys
Who just don't know or just don't care
And just complain when you're not there

You had your time
You had the power
You've yet to have your finest hour
Radio

All we hear is radio ga ga
Radio goo goo
Radio ga ga
All we hear is radio ga ga
Radio blah blah

Radio, what's new?
Radio, someone still loves you

We watch the shows, we watch the stars
On videos for hours and hours
We hardly need to use our ears
How music changes through the years

Let's hope you never leave, old friend
Like all good things, on you we depend
So stick around, 'cause we might miss you
When we grow tired of all this visual

You had your time
You had the power
You've yet to have your finest hour
Radio

All we hear is radio ga ga
Radio goo goo
Radio ga ga
All we hear is radio ga ga
Radio goo goo
Radio ga ga
All we hear is radio ga ga
Radio blah blah

Radio, what's new?
Someone still loves you

Radio ga ga

The Best

I call you when I need you, my heart's on fire
You come to me, come to me, wild and wired
Oh, you come to me
Give me everything I need

Give me a lifetime of promises and a world of dreams
Speak a language of love like you know what it means
Hm, and it can't be wrong
Take my heart and make it strong, baby

You're simply the best
Better than all the rest
Better than anyone
Anyone I ever met
I'm stuck on your heart
I hang on every word you say
Tear us apart? No, no
Baby, I would rather be dead

In your heart I see the start of every night and every day
In your eyes, I get lost, I get washed away
Just as long as I'm here in your arms
I could be in no better place

You're simply the best
Better than all the rest
Better than anyone
Anyone I ever met
Oh, I'm stuck on your heart
I hang on every word you say
Oh, tear us apart? No, no
Baby, I would rather be dead

Each time you leave me, I start losing control
You're walking away with my heart and my soul
I can feel you even when I'm alone
Oh, baby, don't let go

Oh, you're the best
Better than all the rest
Better than anyone
Anyone I ever met
Oh, I'm stuck on your heart
I hang on every word you say
Oh, tear us apart? No, no
Baby, I would rather be dead

Oh, you're the best

Lágrimas e Chuva

Eu perco o sono e choro
Sei que quase desespero
Mas não sei por quê
A noite é muito longa
Eu sou capaz de certas coisas
Que eu não quis fazer

Será que alguma coisa
Nisso tudo faz sentido?
A vida é sempre um risco
Eu tenho medo do perigo

___

Lágrimas e chuva
Molham o vidro da janela
Mas ninguém me vê
O mundo é muito injusto
Eu dou plantão nos meus problemas
Que eu quero esquecer

Será que existe alguém
Ou algum motivo importante
Que justifique a vida
Ou pelo menos este instante

Eu vou contando as horas
E fico ouvindo passos
Quem sabe o fim da história
De mil e uma noites
De suspense no meu quarto

Eu vou contando as horas
E fico ouvindo passos
Quem sabe o fim da história

De mil e uma noites
De suspense no meu quarto

Olhar 43

Seu corpo é fruto proibido
É a chave de todo pecado e da libido
E prum garoto introvertido como eu
É a pura perdição

É um lago negro o seu olhar
É água turva de beber, se envenenar
Nas suas curvas derrapar, sair da estrada
E morrer no mar (no mar)

É perigoso o seu sorriso
É um sorriso, assim, jocoso, impreciso
Diria misterioso, indecifrável
Riso de mulher

Não sei se é caça ou caçadora
Se é Diana ou Afrodite ou se é Brigitte
Stéphanie de Mônaco, aqui estou
Inteiro ao seu dispor (princesa)

Pobre de mim
Invento rimas assim pra você
E um outro vem em cima
E você nem pra me escutar

Pois acabou, não vou rimar coisa nenhuma
Agora vai como sair
Que eu já não quero nem saber
Se vai caber ou vão me censurar (será?)

E pra você eu deixo apenas
Meu olhar 43
Aquele assim, meio de lado
Já saindo, indo embora

Rádio Pirata

Abordar navios mercantes
Invadir, pilhar, tomar o que é nosso
Pirataria nas ondas do rádio
Havia alguma coisa errada com o rei
Preparar a nossa invasão
E fazer justiça com as próprias mãos
Dinamitar um paiol de bobagens
E navegar o mar da tranquilidade

Toquem o meu coração
Façam a revolução
Que está no ar
Nas ondas do rádio
No submundo repousa o repúdio
E deve despertar

Disputar em cada frequência
O espaço nosso nessa decadência
Canções de guerra
Quem sabe canções do mar
Canções de amor ao que vai vingar

Toquem o meu coração
Façam a revolução
Que está no ar
Nas ondas do rádio
No underground repousa o repúdio
E deve despertar!

Do Seu Lado

Lá, Lalá Lalá! Lalá Lalá!
Lalalá!
Lá, Lalá Lalá! Lalá Lalá!
Lalalá!

Faz muito tempo
Mas eu me lembro
Você implicava comigo
Mas hoje eu vejo
Que tanto tempo
Me deixou muito mais calmo
O meu comportamento egoísta
O seu temperamento difícil
Você me achava meio esquisito
E eu te achava tão chata
Eh!

Mas tudo que acontece na vida
Tem um momento e um destino
Viver é uma arte, é um ofício
Só que precisa cuidado
Pra perceber
Que olhar só pra dentro
É o maior desperdício
O teu amor pode estar
Do seu lado

O amor é o calor
Que aquece a alma
O amor tem sabor
Pra quem bebe da sua água
Eu hoje mesmo quase nem lembro
Que já estive sozinho

Que um dia seria seu marido
Seu príncipe encantado

Ter filhos, nosso apartamento
Fim de semana no sítio
Ir ao cinema todo domingo
Só com você do meu lado
Mas tudo que acontece na vida
Tem um momento e um destino
Viver é uma arte, é um ofício
Só que precisa cuidado

Pra perceber
Que olhar só pra dentro
É o maior desperdício
O teu amor pode estar
Do seu lado

O amor é o calor
Que aquece a alma
O amor tem sabor
Pra quem bebe a sua água

Lá, Lalá Lalá! Lalá Lalá!
Lalalá!
Lá, Lalá Lalá! Lalá Lalá!
Lalalá!

O amor é o calor
Que aquece a alma
O amor tem sabor
Pra quem bebe da sua água

Take On Me

We're talking away
I don't know what I'm to say
I'll say it anyway
Today's another day to find you
Shying away
I'll be coming for your love, okay?

Take on me (take on me)
Take me on (take on me)
I'll be gone
In a day or two

So needless to say
I'm odds and ends
But I'll be stumbling away
Slowly learning that life is okay
Say after me
It's no better to be safe than sorry

Take on me (take on me)
Take me on (take on me)
I'll be gone
In a day or two

All things that you say
Is it life or just to play my worries away?
You're all the things I've got to remember
You're shying away
I'll be coming for you anyway

Take on me (take on me)
Take me on (take on me)
I'll be gone
In a day

Take on me (take on me)
Take me on (take on me)
I'll be gone (take on me)
In a day

A Little Respect

I try to discover
A little something to make me sweeter
Oh, baby, refrain
From breaking my heart

I'm so in love with you
I'll be forever blue
That you give me no reason
Why you're making me work so hard

That you give me no
That you give me no
That you give me no
That you give me no

Soul, I hear you calling
Oh, baby, please
Give a little respect
To me

And if I should falter
Would you open your arms out to me?
We can make love, not war
And live at peace with our hearts

I'm so in love with you
I'll be forever blue
What religion or reason
Could drive a man to forsake his lover

Don't you tell me no
Don't you tell me no
Don't you tell me no
Don't you tell me no

Soul, I hear you calling
Oh, baby, please
Give a little respect
To me

I'm so in love with you
I'll be forever blue
That you give me no reason
You know you're making me work so hard

That you give me no
That you give me no
That you give me no
That you give me no

So, I hear you calling
Oh, baby, please (give a little respect)
Give a little respect
To me

So, I hear you calling
Oh, baby, please (give a little respect)
Give a little respect
To me

The Heat is On

The heat is on, on the street
Inside your head, on every beat
And the beat's so loud, deep inside
The pressure's high, just to stay alive
'Cause the heat is on

Oh-wo-ho, oh-wo-ho
Caught up in the action I've been looking out for you
Oh-wo-ho, oh-wo-ho
(Tell me can you feel it)
(Tell me can you feel it)
(Tell me can you feel it)
The heat is on, the heat is on, the heat is on
the heat is on Oh it's on the street, the heat is - on.

_____

Oh-wo-ho, oh-wo-ho
Caught up in the action I've been looking out for you
Oh-wo-ho, oh-wo-ho
(Tell me can you feel it)
(Tell me can you feel it)
(Tell me can you feel it)
The heat is on, the heat is on, the heat is on
Oh it's on the street, the heat is - on.

The shadows are, on the darker side
Behind those doors, it's a wilder ride
You can make a break, you can win or lose
That's a chance you take, when the heat's on you
When the heat is on

Oh-wo-ho, oh-wo-ho
Caught up in the action I've been looking out for you

Oh-wo-ho, oh-wo-ho
(Tell me can you feel it)
(Tell me can you feel it)
(Tell me can you feel it)
The heat is on, the heat is on, the heat is on

It's on the street
The heat is on, the heat is on, the heat is on
Yeah it's on the street
The heat is on

The Power of love

The power of love is a curious thing
Make a one man weep, make another man sing
Change a hawk to a little white dove
More than a feeling, that's the power of love

Tougher than diamonds, rich like cream
Stronger and harder than a bad girl's dream
Make a bad one good make a wrong one right
Power of love that keeps you home at night

You don't need money, don't take fame
Don't need no credit card to ride this train
It's strong and it's sudden and it's cruel sometimes
But it might just save your life
That's the power of love
That's the power of love

First time you feel it, it might make you sad
Next time you feel it it might make you mad
But you'll be glad baby when you've found
That's the power makes the world go'round

And it don't take money, don't take fame
Don't need no credit card to ride this train
It's strong and it's sudden it can be cruel sometimes
But it might just save your life

They say that all in love is fair
Yeah, but you don't care
But you know what to do
When it gets hold of you
And with a little help from above
You feel the power of love
You feel the power of love
Can you feel it?
Mm

It don't take money and it don't take fame
Don't need no credit card to ride this train
Tougher than diamonds and stronger than steel
You won't feel nothin' till you feel
You feel the power, just feel the power of love
That's the power, that's the power of love
You feel the power of love
You feel the power of love
Feel the power of love

The Look

Walking like a man
Hitting like a hammer
She's a juvenile scam
Never was a quitter
Tasty like a raindrop
She's got the look

Heavenly bound, cause heaven's got a number
When she's spinning me around
Kissing is a colour
Her loving is a wild dog
She's got the look

She's got the look, she's got the look
She's got the look, she's got the look
What in the world can make a brown-eyed girl turn blue
When everything I'll ever do I'll do for you
And I go: La la la la la
She's got the look

Fire in the ice naked
To the t-bone
Is a lover's disguise
Banging on the head drum
Shaking like a mad bull
She's got the look

Swaying to the band
Moving like a hammer
She's a miracle man
Loving is the ocean
Kissing is the wet sand
She's got the look

She's got the look, she's got the look
She's got the look, she's got the look
What in the world can make a brown-eyed girl turn blue
When everything I'll ever do I'll do for you
And I go: La la la la la
She's got the look

Walking like a man
Hitting like a hammer
She's a juvenile scam
Never was a quitter
Tasty like a raindrop
She's got the look

And she goes
Na na na na na
Na na na na na
Na na na na na
Na na na na na
Na na na na na
She's got the look

She's got the look, she's got the look
She's got the look, she's got the look
What in the world can make a brown-eyed girl turn blue
When everything I'll ever do I'll do for you
And I go: La la la la la
She's got the look

What in the world
Can make you so blue?
When everything I'll ever do
I'll do for you
And I go: La la la la la

Na na na na na
Na na na na na
Na na na na na
Na na na na na
Na na na na na
She's got the look

And she goes
Na na na na na
Na na na na na
Na na na na na
Na na na na na
Na na na na na
She's got the look
She's got the look

And she goes
Na na na na na
Na na na na na

Livin On a Prayer

Tommy used to work on the docks
Union's been on strike, he's down on his luck
It's tough, so tough
Gina works the diner all day
Working for her man, she brings home her pay
For love, for love

She says: We've got to hold on to what we've got
It doesn't make a difference if we make it or not
We've got each other and that's a lot
For love, we'll give it a shot

Whoa, we're halfway there
Oh-oh, living on a prayer
Take my hand, we'll make it, I swear
Oh-oh, living on a prayer

Tommy's got his six string in hock
Now he's holding in what he used to make it talk
So tough, it's tough
Gina dreams of running away
When she cries in the night, Tommy whispers
Baby, it's okay, someday

We've got to hold on to what we've got
It doesn't make a difference if we make it or not
We've got each other and that's a lot
For love, we'll give it a shot

Whoa, we're halfway there
Oh-oh, living on a prayer
Take my hand, we'll make it, I swear
Oh-oh, living on a prayer
Living on a prayer

Ooh, we've got to hold on, ready or not
You live for the fight when that's all that you've got

Its My Life

This ain't a song for the broken-hearted
No silent prayer for faith-departed
I ain't gonna be just a face in the crowd
You're gonna hear my voice when I shout it out loud

It's my life, it's now or never
I ain't gonna live forever
I just want to live while I'm alive
(It's my life) my heart is like an open highway
Like Frankie said: I did it my way
I just wanna live while I'm alive
It's my life

This is for the ones who stood their ground
For Tommy and Gina who never backed down
Tomorrow's getting harder, make no mistake
Luck ain't even lucky, got to make your owns breaks

It's my life, it's now or never
I ain't gonna live forever
I just want to live while I'm alive
(It's my life) my heart is like an open highway
Like Frankie said: I did it my way
I just wanna live while I'm alive
'Cause it's my life

Better stand tall when they're calling you out
Don't bend, don't break, baby, don't back down

It's my life, it's now or never
I ain't gonna live forever
I just want to live while I'm alive
(It's my life) my heart is like an open highway
Like Frankie said: I did it my way

I just wanna live while I'm alive
It's my life

It's now or never
I ain't gonna live forever
I just want to live while I'm alive
(It's my life) my heart is like an open highway
Like Frankie said: I did it my way
I just wanna live while I'm alive
It's my life

Sweet Child O Mine

She's got a smile that it seems to me
Reminds me of childhood memories
Where everything was as fresh as the bright blue sky (sky, sky)
Now and then when I see her face
She takes me away to that special place
And if I stared too long, I'd probably break down and cry

Woah, oh, oh, sweet child of mine
Woah, oh, oh, oh, sweet love of mine

She's got eyes of the bluest skies
As if they thought of rain
I'd hate to look into those eyes and see an ounce of pain
Her hair reminds me of a warm, safe place
Where, as a child, I'd hide
And pray for the thunder and the rain to quietly pass me by

Woah, oh, oh, sweet child of mine
Woah-woah, oh, oh, oh, sweet love of mine
Woah, oh, oh, oh, sweet child of mine (ooh, yeah, yeah)
Ooh, sweet love of mine

Where do we go?
Where do we go now?
Where do we go?
Mm-mm, oh, where do we go?
Where do we go now?
Oh, where do we go now?
Where do we go?
Sweet child, where do we go now?

Aye, aye, aye, aye, aye, aye, aye, aye (where do we go?)
Ooh, where do we go now?
Oh-oh-oh-oh-oh, oh, woah, where do we go?

Oh-oh, where do we go now?
Oh, where do we go?
Where do we go now?
Where do we go?
Woah-oh, where do we go now?
No, no, no, no, no, no, no
Sweet child, sweet child of mine

Mustang Sally

Mustang Sally
Guess you better slow that Mustang down
Mustang Sally, now baby
Guess you better slow that Mustang down
You've been running all over town
Ooh, I guess you gotta put your flat feet on the ground
Sing it, too long time, girls

All you wanna do is ride around Sally **(ride, Sally, ride)**
All you wanna do is ride around Sally **(ride, Sally, ride)**
All you wanna do is ride around Sally **(ride, Sally, ride)**
All you wanna do is ride around Sally **(ride, Sally, ride)**, tellyou
One of these early mornings
I'm gonna be wiping those weeping eyes, yeah, alright

I bought you a brand new Mustang **(ride)**
It was a nineteen sixty five
Now you come around, big fine woman
Girl, you won't, **you won't let me ride**
Mustang Sally, now baby **(Sally, now baby)**
Guess you better slow that Mustang down **(down)**, alright
You've been running all over town
Oh, I guess you gotta put your flat feet on the ground
Oh, yeah, baby, you gotta put your flat feet

All you wanna do is ride around Sally **(ride, Sally, ride)**
All you wanna do is ride around Sally **(ride, Sally, ride)**
All you wanna do is ride around Sally **(ride, Sally, ride)**, ahyeah
All you wanna do is ride around Sally (ride, Sally, ride)

One of these early mornings
I'm gonna be wiping those weeping eyes, yeah
Oh, yeah, baby, come on, boys

Those weeping eyes, oh, yeah, babe **(Sally)**
Those weeping eyes **(Sally)**, yeah hey, yeah
Those weeping eyes **(Sally**), yeah yeah **(Sally)**
Oh, those weeping eyes (Sally)
Those weeping eyes **(Sally)**, those weeping eyes **(Sally)**
Yeah, yeah, yeah, hey yeah

Have you ever Seen The Rain

Someone told me long ago
There's a calm before the storm
I know, it's been comin' for some time
When it's over, so they say
It'll rain a sunny day
I know, shinin' down like water

I wanna know, have you ever seen the rain?
I wanna know, have you ever seen the rain
Comin' down on a sunny day?

Yesterday and days before
Sun is cold and rain is hard
I know, been that way for all my time
Till forever on it goes
Through the circle, fast and slow
I know, it can't stop, I wonder

I wanna know, have you ever seen the rain?
I wanna know, have you ever seen the rain
Comin' down on a sunny day?

Yeah
I wanna know, have you ever seen the rain?
I wanna know, have you ever seen the rain
Comin' down on a sunny day?

Proud Mary

Left a good job in the city
Workin' for the man ev'ry night and day
And I never lost one minute of sleepin'
Worryin' 'bout the way things might have been

Big wheel, keep on turnin'
Proud Mary, keep on burnin'
Rollin', rollin'
Rollin' on the river

Cleaned a lot of plates in Memphis
Pumped a lot of 'pane down in New Orleans
But I never saw the good side of the city
'Til I hitched a ride on a Riverboat Queen

Big wheel, keep on turnin'
Proud Mary, keep on burnin'
Rollin', rollin'
Rollin' on the river

Solo

Rollin', rollin'
Rollin' on the river

If you come down to the river
Bet you gonna find some people who live
You don't have to worry 'cause you have no money
People on the river are happy to give

Big wheel, keep on turnin'
Proud Mary, keep on burnin'
Rollin', rollin'
Rollin' on the river

Rollin' (rollin'), rollin'
Rollin' on the river
Rollin', rollin'
Rollin' on the river

Another Brick in The Wall

We don't need no education
We don't need no thought control
No dark sarcasm in the classroom
Teacher, leave them kids alone
Hey! Teacher! Leave them kids alone!

All in all, it's just another brick in the wall
All in all, you're just another brick in the wall

We don't need no education
We don't need no thought control
No dark sarcasm in the classroom
Teachers, leave them kids alone
Hey! Teacher! Leave us kids alone!

All in all, you're just another brick in the wall
All in all, you're just another brick in the wall

Wrong, do it again!
Wrong, do it again!
If you don't eat your meat
You can't have any pudding!
How can you have any pudding
If you don't eat your meat?
You! Yes!
You, behind the bike sheds!
Stand still, laddie!

Every little thing she does is Magic

Though I've tried before to tell her
Of the feelings I have for her in my heart
Every time that I come near her
I just lose my nerve
As I've done from the start

Every little thing she does is magic
Everything she does just turns me on
Even though my life before was tragic
Now I know my love for her goes on

Do I have to tell the story
Of a thousand rainy days since we first met?
It's a big enough umbrella
But it's always me that ends up getting wet

Every little thing she does is magic
Everything she does just turns me on
Even though my life before was tragic
Now I know my love for her goes on

I resolve to call her up a thousand times a day
And ask her if she'll marry me in some old fashioned way
But my silent fears have gripped me
Long before I reach the phone
Long before my tongue has tripped me
Must I always be alone?

Every little thing she does is magic
Everything she does just turns me on
Even though my life before was tragic
Now I know my love for her goes
On on and on and on and

Every little thing, every little thing
Every little thing, every little thing
Every little, every little, every little
Every little thing she does

Every little thing she does
Every little thing she does
Every little thing she does
Thing she does is magic

E-oh e-oh e-oh e-oh e-oh e-oh e-oh e-oh
E-oh e-oh e-oh e-oh e-oh e-oh e-oh e-oh
Every little thing, every little thing
Every little thing she do is magic, magic, magic
Magic, magic, magic
Oh, oh, oh, oh
E-oh oh oh oh oh

I have to tell a story
Of a thousand rainy days since we first met
It's a big enough umbrella
But it's always me that ends up getting wet
